**INFORMATION DISCLOSURE STATEMENT
WITH STATEMENT UNDER 37 C.F.R. § 1.97(e)(1)**

Commissioner:

Applicant and their legal representatives hereby make of record on the attached PTO Form-1449 the following publications which are known to them and considered warranting disclosure under 37 C.F.R. § 1.56. Copies of each of these publications are enclosed.

Applicant states under 37 C.F.R. § 1.97(e)(1) that the publications were cited in an International Search Report ("ISR") issued in connection with a counterpart Patent Cooperation Treaty application No. PCT/US01/07885 not more than three months prior to the filing of this statement. Copies of the publications cited in the IRS which were not previously disclosed are enclosed. Also enclosed is a copy of the International Search Report for the Examiner's review.

Applicants and their attorney are aware of the following publications and information listed on the attached PTO Form 1449, and in accordance with 37 CFR § 1.97 hereby submit these publications for the Examiner's consideration.

It is respectfully requested that the information above be expressly considered during the prosecution of this application and that the publications be made of record therein and appear among the "References Cited" on any patent to issue therefrom. In this regard, it is requested that the Examiner initial and return a copy of the enclosed Form PTO-1449 with the next Patent Office Communication.

This submission does not represent that a search has been made and does not constitute an admission that the listed documents are material to patentability or that the listed documents are prior art. If it should be determined that any of the listed documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

This Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits and is therefore submitted as both timely and proper; therefore, no fees are believed to be due.

The Commissioner, however, is hereby authorized to charge any fee deficiency or credit any overpayment to Deposit Account No. 08-0219.

Respectfully submitted,

Date: 3/7/02
